Shirley and Liz Kelley

Shirley and Liz Kelley have been members of the MDI YMCA for five years. They love the YMCA because it is convenient, it has everything they need and it keeps them moving. Liz says, *"We have found many friends here that we would not have met anywhere else."* Shirley particularly likes getting out everyday and coming to the Y to do his workout and to visit with people." Liz adds, *"It is because of the Y that Shirley is getting around so well, feeling better about himself and having a much happier outlook on life - the Y keeps us going!"*

Liz and Shirley both grew up in Southwest Harbor and attended Pemetic School. They now reside in Bar Harbor. Shirley was a barber for fifty years. In his day, he cut many a movie star's hair - including the one and only Paul Newman! Liz worked for the First National Bank (now The First) for twenty-five years. Shirley and Liz have two handsome sons, Mike and Tim and four beautiful grandchildren.

The Kelley's genuine, caring nature toward staff and their commitment to the Y and their fellow exercise partners are just a few of the reasons why the staff choice for Member of the Month was so easy...

**We the staff of the MDI YMCA are thrilled to name
Shirley & Liz Kelley as February, 2010 Members of the Month!**
