

MDI YMCA SCHOOL VACATION DAY CARE SCHOOL YEAR 2009/2010

A Child's work is play! Through play and social interactions, a child reinforces school-day learning, engages in activities that support creative expression and interacts with caring adults who are positive role models.

The MDI YMCA often offers Vacation Camp when school is not in session. Please note that children do not have to be enrolled in the "After School Program", or have to be members to sign up for vacation camp days.

Please see the chart below for a list of non-school days and "Y Camp" opportunities!
