

Membership For All Application

The MDI YMCA is a not-for-profit organization committed to Youth Development, Healthy Living, and Social Responsibility. It is our Mission to provide services for any person or family who desires to participate in the YMCA, regardless of their ability to pay full price. Those not able to pay the full program/camp fee may be awarded assistance based on financial need. The YMCA reserves the right to refuse assistance to any applicant.

The YMCA believes that a strong sense of ownership is developed when the recipient contributes to the cost of their YMCA involvement, therefore, applicants will be asked to pay some portion of the fees.

MFA scholarship year is May 1 – April 30. This will apply to new and renewing members, regardless of when you originally joined and/or qualified for an MFA scholarship. This will not affect your original join date or MDI YMCA membership longevity.

Eligibility for MFA assistance is determined annually. You must provide the top page of your federal tax return (the page with your adjusted gross income) **no later than April 30** every year. You can submit this document by email or hard copy. Do not send us the whole document. Please let us know if you would like it returned to you or destroyed once we have determined your eligibility.

If you receive Social Security benefits you will need to see your annual statement that is issued each January for your upcoming MFA year.

If we do not receive your federal tax return or Social Security statement by April 30 (and you have not spoken to us about an extension), your membership will automatically revert to the full rate for your membership tier. If you need an extension **please** contact us before April 30 so we can discuss your options for continuing at your MFA rate!

We greatly value your membership and support of the MDI YMCA community!
