MDI YMCA ‘Aquathon’

Aquathon is the way the MDI YMCA raises money to help support the Sharks Swim Team. These funds help pay for equipment, transportation, registration and other miscellaneous fees to support the total swimming program.

Here is how it works: You can either pledge a certain amount per length and multiply by the amount of laps swum (example, 10 cents per length to a swimmer and the swimmer completes 75 lengths, you would pay the swimmer \$7.50) or just give a specific amount regardless of laps swum. All swimmers will complete their lengths (200 length maximum) at the MDI YMCA pool on or about February 5, 2023.

My Goal is to complete _____ laps (lengths) in 90 minutes.

A Receipt will be provided for any donor that wishes one by stating ‘YES’ in the receipt column.
